How to use this planner

1 **Set your goals**
Fill "About me", then write your exam date on the cover. A clear target makes every day easier.

2 **Plan the week on Sunday**
Use a Weekly planner. Give the most time to your weakest papers and keep 2 or 3 papers per day.

3 **Use the Daily planner**
Write your top 3 priorities, study 25 to 50 minutes at a time, then rest for 10 minutes.

4 **Tick the syllabus**
After every chapter: tick Learnt. Revise on day 1, 3, 7 and 21 to remember for the exam.

5 **Practice and fix mistakes**
Log RTP, MTP and past papers. Write each mistake in the Mistake book and fix it.

Study rule of thumb

- Plan only what you can really finish. A realistic plan beats a perfect plan.
- Weak paper first, when your mind is fresh.
- Sleep 7 hours. Memory is made at night.
